

Primary Pump Manifold (Machinery Space):
 Six US gal Shurflo stainless accumulator
 Two parallel Shurflo 2088 Baitmaster
 Controlled by external heavy duty pressure switches
 Hi switch = 25 psi on, 42 psi off.
 Lo switch = 15 psi on, 42 psi off.
 Pressure gauge

— Cold
 — Hot
 - - - Hot Loopback

NOTE: Hot Loopback returns to freshwater tank rather than Everhot - to avoid extra circulation pump
